- Sew along the vertical lines on either side of the centre. You can use decorative stitches of your choosing, and if you have an alphabet on your machine you can combine to create a saying or words of your choice.
- Start from the right side first and place the inside edge of the foot (left side) along the marked line
- Make sure you sew the second line from the bottom up.
- Trim threads

- Remove Foot # 1 and replace with Foot #20
- Attach quilting guide using the last marking on the stitch plate (1' guide) as a guide. Tighten screw.

- Program in 2 stitches if you have a memory or select a decorative stitch on your machine if you do not have a memory,
- Place the quilting guide at the hip line and sew horizontal lines down the legs using the quilting guide to keep lines even.

- Change top thread to white
- Choose eyes and mouth

- Trim to size
- Select applique stitch on your machine
- Alter stitch width and length to 1.5
- Move needle position to far right
- Select needle down function if machine has the ability
- Position eyes and mouth onto front panel
- Stitch around eyes using FHS to pivot

made to create

BERNINA

- Change top thread to either black or red and sew around mouth or moustache

- Change top thread back to white.

Dammit Doll Pattern.

Cut 2

Dammit Doll

Whenever things don't go so well,
And you want to hit the wall & yell,
Here's a little dammit doll,
That you can't do without.
Just grasp it firmly by the legs,
And find a place to slam it,
And as you whack the stuffing out,
Yell "Dammit! Dammit! Dammit!"
